BRIEF ABSTRACT OF LETTER.

Prays for a re-consideration of the orders Conveyed in G.O. no. 5 Dy 1-7-1913 declining the revival of the Cash inam in favor of the Sagar matt.

NOTES AND ORDERS.

3 Muz I no 475-10 is put up. The Office-note therein explains the circumstances which led to the order of 1st July 1913 declining the revival of the Cash inam of Rs 40-15-0 per annum in the Khata of the Hire matt

at Nagar in favour of the new Sagara matt.

The Guru of the Hire matt at Kelasi prays for a re-consideration of the foregoing order. He says that the old matt at Nagar was in the enjoyment of jagir and sarbaks, that owing to the death of its Guru some 40 years ago and other causes, these grants were resumed to Govt and that a cash inam of Rs 40-15-0 was allowed for the matt. He prays that the inam may be revised. To show the connection between his matt and the ruined matt at Nagar, the petr has produced an authenticated extract obtained from the Vern records of the Secretariat, relating to certain accounts etc of Vaudana Samvatsara of Nagar Kasba. The following entry finds a place in the extract:—

" ಅದೆ ಮಠ ಸದರಿದಲ್ಲಿ ಆ ಶ್ರೀಗಳವರು ಮಠ ಸ್ಥಾಪನೆ ಮಾಡಿ ಪೂಜೆ ಮಾಡುತ್ತಾ ಇದ್ದರು "...

The petition is addressed to the Dr who has ordered as follows:—

There seems to be some little confusion. The D^t Com^r in his first letter recommended the transfer of the grant to the Nagar Matha Hubli in Sagar, while at para 8 of the present D^t Com^r wants the transfer to be made in favour of the Nagar Mutt at Keladi.

Is the Sagar Mutt identical with the Keladi mutt i.e. has the Keladi Mutt been transferred to Sagar since & are there two buildings at the two places?

On unofficial enquiry from respectable local Lingayat gentlemen, it is gathered that owing to Nagar having been a place in which the matha had little or no income and all the properties having been at Keladi, the matha at Nagar was allowed to go to ruin and the Sirsi matha started at Keladi abt 40 or 50 years ago. Nagar has a few of Lingayat disciples of this matha and at their request a branch matha was established at Nagar also about 20 years ago. So Nagar matha is a branch of the Keladi matha which is itself said to be the same as the old Nagar matha. There seems the same evidence and the Sr commr inquiring enquires if that the old matha at Nagar and the Kelati matha are connected either as branches of the same institution or parent and daughter institutions. In the extract of Nandanam (1831) now produced a Jari grant of 64 3/4 pagodas is noted as against a Lingayat matha which had [illegible] at Nagar and Kelati. Granting that the matha noted therein is identical with the present one — this is very probably the case as the conditional grant of 64-15 agrees with the Jari inam — it is not clear why the grant was not made common for both the mathes at Nagar and Kelati and if the building at the latter place was in good repair &

Whatever the reason might be, the Kelaki matter has not appealed for the continuance of the ground to Waq and it is a matter for consideration whether this question ~~may~~ should be allowed to be revived after a lapse of 42 years. In this case however there is another aspect which requires notice. A new building has been constructed at Safua and if this is accepted in the place of the Safua building, the condition fixed for the resumption of the ground may be said to have been fulfilled. The Board is reported to be actively engaged in the spread of education among this community and the resumption and the transfer of the present ground will not only help the work in a small way but will also give him a recognition which is probably what is sought after.

D.V. Narasinga Rao, Esquire., B.A.B.L.,

Bangalore.

Sir,

Adverting to Government order No.1433 Muz 167-13-2 dated 18th November 1918 forwarding for report the review application from Revanna Siddha Swami of Sagar praying for reconsideration of the Government order declining to revive the cash inam of Rs 40-15-0 in the khate of the Hire Matt at Nagar in favor of the new Matt at Sagar I have the honor to state that it is ascertained from local enquiry that the Hire Matt at Nagar was dependent on the Hire Matt at Keladi which owed its existence to the Rajas of Keladi. When the descendants of Keladi dynasty established their supremacy at Ikkeri and thence at Nagar, they founded another Matt at Nagar and also granted some endowments to it. As days advanced the Royal family became extinct. The Matt at Nagar lost its importance having none to patronize it. To what extent the Matt was then endowed with could not now be made out. The cash Muzrai list of 1831 produced by the applicant shows however that there were two mutts, one at Nagar and the other at Keladi endowed with a cash inam of 14¾ Kanteroy pagodas.

2. Afterwards the Matt at Nagar was in the enjoyment of Rs 40-15-0 as a cash grant. Thence-forward the Matt began to decline and in the year 1874 the cash grant was resumed to Government on the score that the Matt was in a dilapidated condition and that the object of the grant was not fulfilled. An order No.425 dated 10th September 1887 was issued from this office to the Municipal members at Nagar that if the Matt Authorities would restore the Matt building and satisfy the conditions for which the inam was originally granted the revival of cash

rant would be considered. In spite of this order the Matt authorities failed to restore it and suffered the building to go to ruins and now no trace of it appears to exist there. The disciples took no notice to construct the building nor were there any other people who would undertake its restoration.

3. As regards the alleged relationship between the Nagar and Keladi Matta the information gathered from local enquiry is that the latter Matt used to send its disciples to the former when it was in a flourishing condition. It may however be presumed that, as both were Lingayat Matts they did not feel much for the deterioration of the Nagar Matt owing to the existence of the original Matt at Keladi.

4. So far as the prayer of the petitioner Revanna Siddaswami is concerned he cannot as a matter of right claim the revival of the cash inam granted to the Nagar Matt on the ground that the two Matts were not separate and that the Matt at Nagar was dependent on the one at Keladi in the Sagar taluk.

5. In their petition to Government received herewith your letter No.358 Muz 167-13 dated 8th August 1914 (and herein enclosed) the inhabitants of Nagar pray that as Sagar is more thickly populated by Lingayats than at Nagar and as the cash inam will be made use of for the religious and moral education of poor students of Lingayat community the cash grant may be revived.

6. The Sub-Division Officer, Sagar, is of opinion that as the prayer relates to the spread of education, the lapsed grant may be revived and transferred to the Keladi Matt in the Sagar taluk.

7. As the Nagar Matt cannot be restored without a large outlay and as there seems to be very little hope of bringing it to its former condition the grant of the Matt cannot now be utilized for the purpose for which it was originally intended nor is there anything on record to show that the applicant was the representative of both the Matts.

8. In these circumstances I have the honor to state that, if the Government deem it necessary to revive the grant the same may

be transferred to the new Matt established at Koladi as an act of grace in the interests of education which the Matt has in view.

9. The review application received with Government order under advertance and the vernacular papers ending with the Nagar Taluk Amildar's Ittilla No.480 dated 3rd May 1915 relating to the subject accompany for favor of perusal.

I have the honor to be,

Shimoga District.

To

W.R. Thyagaraja Iyer, Esquire, M.A.,
Secretary to the Government of Mysore,
Revenue Department,
Bangalore.

Sir,

With reference to your docket No.278 Muzrai 187-13-6 dated the 27th July 1915 forwarding for report petition from Mahantaswami of Kere Matha in the Sagar taluk praying for the revival of the cash inam of Rs 40-15-0 to the old Nagar Matha, I have the honor to state that the petitioner in his statement on the 17th January 1916 before the Sagar Taluk Amildar has stated that he is not the claimant (hakdar) to the endowment of the matha, that, as desired by the villagers, he only promised to undertake the reconstruction of the old matha at Nagar for charity's sake and that he has no objection if the mutt authorities of Keladi would restore the same. But there is nothing on record to show that the inhabitants of Nagar or the desciples of the Hire Matha at Nagar ever requested the petitioner to restore the matha building at Nagar. On the other hand the people of the Nagar taluk in their petition dated the 4th July 1914 presented to Government have prayed for the grant of the cash inam to the Keladi matha, as Sagar is more thickly populated by the Lingawets than Nagar, as already stated in my previous letter.

2. There is nothing more to be added than what has already been reported in this office letter No.195/84 dated 20th May 1915.

3. The entire file of vernacular papers received with the Sagar

ivision officer's vadi No.304 dated 9th February 1916 is horewith resubmitted for reference and obliging return.

I have the honor to be,

Sir,

our most obedient servant,

Deputy Commissioner,

C.N.R. Chimoga District.
